

EDMONTON  
CONVENTION  
CENTRE

# GROWING CONNECTIONS THAT MAKE A DIFFERENCE.

Located in the heart of North America's largest urban parkland, the Edmonton Convention Centre connects to our land through a commitment to sustainability. Interested in making your event sustainable? Our team works to deliver complimentary sustainability resources and post-event waste audits to clients who wish to reduce the environmental impact of their events.

**Commit to sustainability today!** Host your sustainable meeting with us in July or August and receive 50% off your room rental. A complimentary morning and afternoon coffee and tea selection will be included if lunch is ordered with your meeting.
