SOCIAL

RESPONSIBILITY

From Our Garden

We connect to the land through sustainable practices and our locally-sourced and inspired cuisine. As part of this commitment, we grow many of our own vegetables each summer in our own staff garden. Managed by our team of chefs, the garden produces tomatoes, peppers, herbs, lettuce, tomatillos, strawberries, raspberries, currants, edible flowers, onions, garlic, carrots, radish, beans, peas, celery, corn, cucumbers, zucchini and squash.

And that's not all—we also produce our very own signature honey through our beehive located on the southeast corner of the property. More than 100,000 busy bees produce over 60 pounds of honey for our chefs each summer. To learn more about our sustainability program, visit EdmontonConventionCentre.com.

Second Helping

Giving back to those in need

The Edmonton Convention Centre serves more than 250,000 meals a year to local, regional, national and international guests. With such a large volume of food being prepared and served through our kitchen, it's expected that there will be some food waste.

That's why we were the first organization in Edmonton to sign-up for the Edmonton Food Bank's Second Helping Program. This initiative prevents waste and puts nutritious meals on the table for those who need them. We're proud to donate nearly 6,600 pounds of food to the program each year.

IMPORTANT INFORMATION

GUARANTEED ATTENDANCE

Your Client Services Manager requires notification of the guaranteed number of guests with a list of guest allergies and dietary restrictions **five business days** prior to your event start date.

Failing this, the estimated number of guests at the time of booking will be taken as a guarantee for billing. Actual attendance will be billed if it is higher than the original guarantee number, provided additional meals have been served. Edmonton Convention Centre is prepared to set 5% above guaranteed number of guests on groups of 200 or more up to a maximum of 20 guests.

SURCHARGES FOR NEW ORDERS OR INCREASES

Every dish is crafted in-house with 60% of our food locally purchased from community growers.

If the guaranteed attendance is increased after the deadline, a menu surcharge will apply to the additional meals. This is calculated at 20% of the original menu price. Any new orders received within five (5) business days will also be subject to a 20% surcharge of the original menu price, if we are able to accommodate the request.

ALLERGY, ALTERNATE DIETARY MEALS AND OVERAGES

Handling alternative dietary requests demands careful attention—particularly when it comes to allergies that result in serious, sometimes life-threatening reactions.

Our kitchens are not peanut, tree nut, soy, milk, egg and wheat free facilities. While we take steps to minimize the risk of cross contamination, we cannot guarantee that any of our products are safe to consume for people with peanut, tree nut, soy, milk, egg or wheat allergies.

The Edmonton Convention Centre is committed to offering a wide range of food options for our guests. Part of this commitment includes meeting the needs of guests who have special dietary restrictions. Additional costs may apply based on meal requirement (Kosher, Halal). Our kitchen will make every effort to accommodate cultural and medical dietary requests received no later than the final guarantee deadline. We will prepare a 5% overage to a maximum of 20 guests above your alternate meal requirements for potential on-site orders. Charges will apply if these extra alternate meals are served.

If at the time of service, the number of alternate meals (including vegetarian) exceeds the number on your dietary list, an additional fee of \$40 per entrée (exclusive of tax and gratuity charge) will be applied. We cannot guarantee we will be able to meet all requests, but we will attempt to satisfy your guests' needs to the best of our ability.

With an increase in demand for gluten-free and wheat-free requests, we strongly recommend you provide a small percentage by building these items into your order.

FOOD SAFETY

Purchase, delivery and storage of food products at the Edmonton Convention Centre are important control steps in the food safety chain. We are a proud partner of Edmonton Food Bank's Second Helping Food Recovery program which donates surplus prepared and perishable food to meal-providing agencies in the city. These items are stored and delivered in a safe manner. To ensure the safety of our guests, we will not permit food to be taken home by our guests.

BANQUET OPERATIONS (ON THE FLOOR)

- All buffets will showcase food labels.
- All tray-passed food items are labeled on the tray.
- For plated meal functions, all servers have a copy of the menu with any allergen information and are briefed before their shift.
- There is a lead banquet manager in charge of the dietary list which is received at the time of the guarantee (or earlier).
- The server will speak to the on-shift chef if they are unclear on the ingredients. The buffet chef will speak to the guest directly if they are available.
- Guests with dietary requests that have not been pre-ordered will be asked the following information:
 - *Full name*
 - *Table number*
 - *Dietary request*
 - *Disclaimer that we will make our very best efforts, but cross contamination can occur.*
