His kitchen is a treasure trove of locally sourced ingredients, where farm-fresh produce and heritage meats are transformed into dishes that sing with authenticity. With a nod to tradition, he crafts culinary marvels that honor the province's agricultural heritage while adding his own modern twist.

ECC FOOD & BEVERAGE POLICY

IMPORTANT INFORMATION

GUARANTEED ATTENDANCE

Your Event Manager requires notification of the guaranteed number of guests with a list of guest allergies and dietary restrictions ten business days prior to your event start date. Past this point, the food and beverage order cannot be decreased and any food and beverage items added will be subject to a 20% surcharge.

The Edmonton Convention Centre is prepared to set and charge for 5% above guaranteed number of guests on groups of 200 or more up to a maximum of 20 guests.

ALLERGY/DIETARY RESTRICTION SERVICE

We ask that our events collect dietary requirement information from their guests including name, allergy/restriction as well as seating location if applicable. This information can be provided to your Event Manager 5 business days prior to your event for our kitchen to prepare and accommodate.

Kosher and halal requests must be submitted 10 business days in advance and are subject to additional charges.

Our kitchens are not peanut, tree nut, soy, milk, egg and wheat free facilities. While we take steps to minimize the risk of cross contamination, we cannot guarantee that any of our products are safe to consume for people with peanut, tree nut, soy, milk, egg or wheat allergies.

BANQUET OPERATIONS (ON THE FLOOR)

All buffets will showcase food labels on each item. All tray-passed food items are labeled on the tray. For plated meal functions, all servers have a copy of the menu with any allergen information and are briefed before their shift. There is a lead banquet manager in charge of the dietary list which is received at the time of the guarantee (or earlier). The server will speak to the on-shift chef if they are unclear on the ingredients. The buffet chef will speak to the guest directly if they are available. Guests with dietary requests that have not been pre-ordered will be asked the following information:

- Full name
- Table number
- Dietary request
- Disclaimer that we will make our very best efforts, but cross contamination can occur
